NOTICE

Date : 12th June 2024
To : Dear Valued Parcel Owners and Tenant
From : The Management Office
Subject : Operating PopBox as Parcel Locker

Dear Valued Parcel Owners and Tenants,

Please note that Management has provided a smart parcel locker (PopBox) to replace the current parcel room and enable courier services to place resident parcels into the locker.

PopBox is located near Bila-Bila Mart on Level 1 and this service will be operational no later than 24 June 2024.

PopBox is protected with CCTV and an electronic locking system to prevent theft and parcel loss. The maximum dimension of the locker is 400mm x 400mm. The package must be collected within 24 hours from the courier delivery time of your parcel at PopBox to avoid any charges by PopBox.

Usage guidelines are as follows:

How to use PopBox?

- Shop online and select/type PopBox as your delivery option.
- Pick a PopBox locker near you. Visit www.popbox.asia to find your selected address.
- You'll receive the PIN code once your parcel has arrived.
- Collect your parcel easily!
